Date 2nd October 2017

Trevor Leighton
National Technical Director
Schröder Australia
6 Jayelem Crescent,
PADSTOW, NSW 2211

Dear Trevor,

Submission of [Schröder](#) Shuffle for inclusion on the National Load Table

The City of Adelaide would like to install [Schröder](#) – Shuffle luminaires to a council unmetered public lighting circuit.

For Council to connect this luminaire to an unmetered arrangement, we understand that this luminaire will need to be included on the National Electricity Market (NEM) load table through the Australian Energy Market Operators (AEMO).

The City of Adelaide fully supports [Schröders](#) actions to include the following luminaires on the national load table:

SHUFFLE

- 20 LEDs 350mA = 24W
- 20 LEDS 500mA = 33W
- 20 LEDS 700mA = 46W

If you have any questions, please feel free to contact me on 8203 7493.

Yours sincerely

Belinda Hill
