

DECLARED WHOLESALE GAS MARKET (VICTORIA)

NOTICE OF INVESTIGATION OF POSSIBLE UNINTENDED SCHEDULING RESULT ON 1 OCTOBER 2016

In accordance with rule 218(1)(a) of the National Gas Rules, AEMO has, on request from a Market Participant, commenced an investigation into whether an *unintended scheduling result* occurred in the additional operating schedule that was published around 9:04 AM and subsequent reschedules on 1 October 2016.

AEMO will publish its decision in a report including the reasons for its decision in accordance with rule 218(3).

If AEMO publishes a decision that an *unintended scheduling result* has occurred, then in accordance with rule 218(5), AEMO may initiate the dispute resolution process for the purposes of confirming that decision and determining any compensation payable.
