

Sylvania-Schreder

Mr Darren Crase

Sales Manager SA

Dear Sir/Madam

Letter of Support for Sylvania Schreder Izylum Range of Luminaires on the Aemo Load Table.

Models supported as follows:

- Sylvania-Schreder Izylum 35w
- Sylvania-Schreder Izylum Evo 50w
- Sylvania-Schreder Izylum 75w
- Sylvania-Schreder Izylum Evo 72/73w
- Sylvania-Schreder Izylum Evo 110w
- Sylvania-Schreder Izylum Evo 149w
- Sylvania-Schreder Izylum Evo 162w
- Sylvania-Schreder Izylum Evo 225w
- Sylvania-Schreder Izylum Evo 249w

City of Port Adelaide Enfield fully supports the inclusion of the Sylvania Schreder Izylum Range of Luminaires on the National Load Table.

City of Port Adelaide Enfield has the intention to use the Sylvania Schreder Izylum Range for the P Category lighting upgrade project at New Port Quays Port Adelaide. These LED luminaires will also be considered for any future council projects.

Council requests the above products to be included on the National Electricity Market (NEM) load table through the Australian Energy Market Operator (AEMO) for use in projects throughout the Port Adelaide Enfield domain.

Yours Sincerely

Luke Gillis
