Dear David,

Request to amend the NSW Traffic Signals Load Table

We request for the approval to include the below items to the National Electrical Market NSW Traffic Light Load Table for Unmetered Loads.

ID	Asset Item	Full Load (kW)	Dimmed Load (kW)
267/0	Nortech IR200	0.0173	0.173

The submission is supported with the following documents:

1. Amended Traffic Light Load Table and
2. Nortech Power Report.

Once approved and published, I would appreciate it if you could advise all relevant parties of the amended Traffic Light Load Table at your earliest convenience.

Should you have any queries or require further information, please don't hesitate to contact me.

Yours sincerely / faithfully
