

WEMS TEST ENVIRONMENT TOKEN REQUEST FORM

Market Participants in the WEM use this form to apply for a physical token to provide a user with access to the AEMO WEMS Trial application. An AEMO RSA token will be issued to all new users which will allow access to the WEMS Trial environments after the following has been processed.

This form needs to be:

1. Completed by the User and signed by the Market Participant Administrator (MPA); and
2. Sent to AEMO Market Operations (WA) for processing.

Please note test environments can simulate the operation of the WEM, but actual market outcomes may vary in these environments due to testing activities of Market Participants and the AEMO, differences in software versions, and the time since the last snapshot. For more information on the details and build currently running in each environment and the latest snapshot date, visit <http://aemo.com.au/Electricity/Wholesale-Electricity-Market-WEM/Dispatch-and-market-notice>

Note: The User's token will be activated as soon as the User is verified and confirms receiving the token by calling Market Operations (WA) to activate his/her account.
