

Notice to all BB interested parties,

2 November 2011

**Notice to BB interested parties on AEMO decision to approve the
making of the Natural Gas Services Bulletin Board Procedures
version 2.0**

This notice advises BB interested parties that consultation under the expedited procedure change consultative process prescribed in Rule 135EF of the National Gas Rules (**NGR**) concluded on 20 October 2011 for:

- **BB Procedures – Additional Custody Transfer Point at Albion Park;**

There were no comments received on the proposed procedure change (PPC) and impact and implementation report (I&IR) so AEMO is giving notice that these procedures will be made effective as of 23 November 2011.
