**Subject:** 5mins Settlement: Credit Limit Procedures First Stage Submission

Hi AEMO

Origin's feedback on the Credit Limit Procedures First Stage is as follows.

### 3.2 Transitional arrangements Questions

1. Do participants agree with the proposed change to the Procedures to reflect the 5MS Rule? If not, why?  
*Origin agrees with AEMO's proposed change to the CLP.*

2. Are there other relevant issues that have not been considered?  
*No.*

3. What is an alternative approach to implementing the 5MS Rule for the Procedures? How would it be implemented?  
*Origin does not have an alternative approach.*

### 4.5 Other administrative changes Questions

1. Do participants agree with the proposed changes to season definitions? If not, why?  
*Origin agrees with AEMO's proposed changes and have no material arguments against the seasonal change.*

4. Are there other relevant issues that have not been considered?  
*No.*

5. What is an alternative approach to implementing the 5MS Rule for the Procedures? How would it be implemented?  
*Origin does not have an alternative approach.*
