1. Please provide your views on the Procedure Change Proposal, including any objections or suggested revisions:

LGP supports the new procedure.

2. Please provide an assessment whether the Procedure Change Proposal is consistent with the Market Objectives and the Wholesale Electricity Market Amending Rules.

LGP perceives the procedure to be consistent with the Market Rules and by extension the Market Objectives.

3. Please indicate if the Procedure Change Proposal will have any implications for your organisation (for example changes to your IT or business systems) and any costs involved in implementing these changes.

The procedure will not impact adversely on LGP.

4. Please indicate the time required for your organisation to implement the changes, should they be accepted as proposed.

LGP could implement the procedure immediately.
