PROCEDURE CHANGE EXTENSION NOTICE

Revised PSOP: Monitoring and Reporting Protocol (PPCL0024)

This notice of extension is given under clause 2.10.18 of the Market Rules.

Submitter: System Management

Date Submitted: 14 March 2013

Date of extension: 17 June 2013

In accordance with clause 2.10.17 of the Market Rules, the IMO has extended by a further 20 Business Days the timeframe for publishing the IMO's decision on the Procedure Change Proposal titled Revised PSOP: Monitoring and Reporting Protocol (PPCL0024).

The publication date for the IMO's decision is extended until **Thursday, 18 July 2013**.

Reasons for the Extension

In its Procedure Change Report, System Management proposed a number of additional amendments to the Power System Operation Procedure (PSOP): Monitoring and Reporting Protocol. The reason for the extension is to provide an opportunity for System Management to undertake a round of informal consultation on the additional revisions to the PSOP.

An invitation for submissions has been published on the Market Web Site. System Management has requested that submissions be provided to the IMO by **5.00pm on Monday, 1 July 2013**.

For further details relating to the Procedure Change Proposal, including System Management's invitation to provide submissions on the additional proposed amendments to the PSOP, please refer to the Market Web Site: <http://www.imowa.com.au/PPCL0024>.

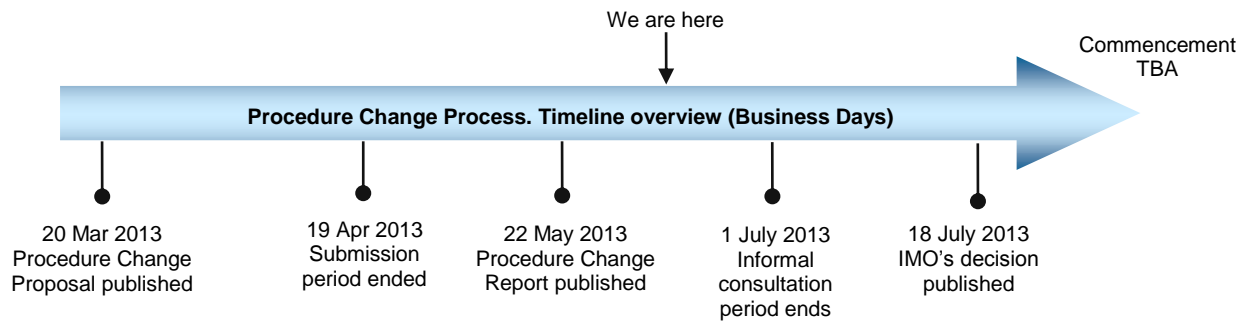

Proposed Work Programme

- A further round of informal consultation is held on System Management's proposed additional changes to the PSOP.
- The IMO presents its decision on the Procedure Change Proposal.

Extended Timeline

The projected timelines for processing this proposal, including the extension are:
