

8 April 2013

Notice to all Participants and interested persons,

**Notice to Participants and Interested Persons regarding the Proposed Procedures Changes (PPC) for IN026/12 (Update South Australian RoLR Procedures for System Automation) and IN003/13 Changes to the Interface Control Document**

This notice advises that AEMO has received a recommendation from the Gas Retail Consultative Forum (GRCF) to extend the timeframes for consultation. Under the provisions of the National Gas Rules (NGR) AEMO seeks to extend the period provided for the submission and evaluation of responses of the PPC for IN026/12 and IN003/13.

In line with this, AEMO advises participants that the PPCs for IN026/12 and IN003/13 have been updated to provide further information to participants on the ICD changes required. The release date for these updated PPCs is 5 April 2013.

This notice advises participants and interested persons that under rule 135EG (Time Limits) of the NGR, AEMO has extended the time for submissions relating to these PPCs. Responses were due to close 4 April 2013.

The revised closing date for submissions regarding these PPCs is 26 April 2013.
