Dear Remko,

**Submission of GE EVOLVE 17W for inclusion on the National Electricity Market Load Table**

Essential Energy supports and intends to use the following LED luminaire from Light Source Solutions and ask for it to be included on the AEMO as unmetered Connection Points in accordance with the unmetered guideline.

- **GE Evolve P4P5 Gen3 – 17W LED (ERRA17P30DSG44)**

Yours sincerely
