Nathan Pillai  
Connected Light Solutions  
34-36 Adderley Street East  
Lidcome NSW 2141

Dear Nathan,

**Submission of GE Area Lighter for inclusion on the National Electricity Market Load Table**

Essential Energy supports and intends to use the following GE Area Lighter LED floodlights from Connected Light Solutions and ask for it to be included on the AEMO as unmetered Connection Points in accordance with the unmetered guideline.

- **GE Area Lighter – 150W LED (ALUASN150WAWBHSG1D1)**
- **GE Area Lighter – 240W LED (ALUASN240WAWBHSG1D1)**

Yours sincerely

A handwritten signature in black ink, appearing to read "Andrew Close", with a stylized flourish at the end.
