Nathan Pillai
Connected Light Solutions
34-36 Adderley Street East
Lidcome NSW 2141

Dear Nathan,

Submission of GE Evolve Cat V Leopard for inclusion on the National Electricity Market Load Table

Essential Energy supports and intends to use the following GE Evolve Cat V Leopard LED streetlights from Connected Light Solutions and ask for it to be included on the AEMO as unmetered Connection Points in accordance with the unmetered guideline.

- **GE Evolve Cat V Leopard 204W – LEO204V40D2SG442**
- **GE Evolve Cat V Leopard 122W – LEO122V40D2SG442**

Yours sincerely
