Dear Dean,

Submission of OrangeTek IGNIS 1 - 76W for inclusion on the National Electricity Market Load Table

Essential Energy supports and intends to use the following LED luminaire from OrangeTek and ask for it to be included on the AEMO as unmetered Connection Points in accordance with the unmetered guideline.

- **OrangeTek IGNIS 1 – 036 LED – 76W LED (with NEMA Socket)**

Kindly advise us as soon as it has been load tested and included on the NEM load Table.

Yours sincerely
