Dear David,

Re: Submission to include the Sylvania KANON LED Floodlight in the National Electricity Market Load Table.

Sylvania-Schreder request that the Sylvania KANON LED Floodlight be granted approval for inclusion to the National Electricity Market Load Tables for Unmetered Loads.

This unit is suitable for "Nightwatch" applications. The KANON luminaire has a total power consumption as listed in Table 1 below.

Table 1

Product Description	Total Power Consumption Watts	Test Report No.
KANON LED Floodlight	183.54	201162LCP

Our submission is supported with the following documents.

- 1) Supporting Letter for the installation
- 2) Product data sheet
- 3) NATA Laboratory Test Report as per Table 1

We trust this submission meets with your approval requirements. However, should there be any queries or if you require any further information, please do not hesitate to contact me.

Kind regards,

Greg Bell
