

DECLARED WHOLESALE GAS MARKET (VICTORIA)

Notice of an investigation of possible unintended scheduling result on gas day 17 June 2025

In accordance with rule 218(1)(b) of the National Gas Rules (NGR), AEMO has, on its own initiative commenced an investigation into whether an unintended scheduling result occurred in the 10PM schedule on gas day **17 June 2025**.

AEMO will publish its decision in a report including the reasons for its decision in accordance with rule 218(3) of the NGR. AEMO expects to conclude its investigation and publish its decision by **21 August 2025**, after final settlement statements which include gas day 17 June 2025 are issued on **24 July 2025**.

If AEMO publishes a decision that an unintended scheduling result has occurred, then in accordance with rule 218(5), AEMO may initiate the dispute resolution process for the purposes of confirming that decision and determining any compensation payable.

Notice Date: 1 July 2025
