

Notification of Scheduled Maintenance Information – QGC

The information is supplied pursuant to ACCC Authorisation Nos A91516 & A91517. QGC provides the Maintenance Information on the basis that the information:

- Is provided in good faith and is published as a condition of the Authorisation granted by the ACCC; and
- Is based on QGC's reasonable expectation and is subject to change.

Facility	Expected Dates	Scope of Train Shutdown
QCLNG	15 October 2021 to 17 October 2021	One half of an LNG train
