## **Notice of missing Brisbane STTM Distribution System Allocation for Gas Days 31/12/2016 to 02/01/2017**

This Notice is to advise that AEMO could not determine the STTM distribution systems allocation for the Brisbane STTM Hub for gas days 31/12/2016 to 02/01/2017 in accordance with clause 7.2.4(a1) of the STTM Procedures. AEMO is required to determine STTM distribution system allocation for a STTM User at a hub for a gas day no later than 4.5 hours after the beginning of a gas day. AEMO was not able to determine this STTM distribution system allocation for STTM Users at the Brisbane hub for these dates due to a system configuration issue.

This issue is now resolved and the STTM distribution system allocation for these dates is available in the MIS report INT734 Distribution System Allocation Details published on 04/01/2017.
