

STTM MARKET OPERATOR SERVICE (MOS) ALLOCATION COSTS – 2020-21

1. BACKGROUND

In line with the National Gas Rules (NGR), STTM pipeline operators have provided AEMO with a tax invoice for their actual 2020-21 MOS allocation service costs.

AEMO has published the invoices for comment and no feedback has been received.

Subsequently, AEMO provided this information to the Australian Energy Regulator (AER) to seek their determination and on 8 October the AER confirmed they are satisfied with the MOS allocation costs submitted by SEAGas, Epic Energy, Jemena and the APA Group.

The table below sets out the initial estimates provided, the invoices received, and the final amounts paid to each pipeline operator.
