Dear Cheryl

Re: MOS ALLOCATION SERVICE COSTS ESTIMATE FOR FINANCIAL YEAR 2025

In accordance with Clause 424 of the National Gas Rules, SEA Gas wishes to advise that our estimate for on-going MOS cost for the Financial Year (FY) 2025 is \$25,000 (\$2024).

Subject to any new requirement that requires further spend or analysis on MOS, the FY 2025 estimate for the MOS Allocation Service Cost reflects internal labour and IT costs to maintain the service required.

Yours sincerely
