Dear Ms. Olesnicky

Re: MOS ALLOCATION SERVICE COSTS ESTIMATE FOR FINANCIAL YEAR 2015

In accordance with Clause 424 of the National Gas Rules, SEA Gas wishes to advise that our estimate for on-going MOS cost for the Financial Year (FY) 2015 to be \$18,000 (\$2014).

Subject to any new requirement that requires further spend, the FY 2015 estimate for the MOS Allocation Service Cost reflects internal labour and IT costs to maintain the service required.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Jeff Cooke', with a long horizontal line extending to the right.
