------------------------	---

1. Introduction

1.1. Purpose and scope

- 1.1.1. The *Electricity Industry Act 2004*, the WEM Regulations, the WEM Rules and the WEM Procedures prevail over this document to the extent of any inconsistency.
- 1.1.2. The purpose of this document is to meet the requirements of section 1.56 of the WEM Rules, which requires AEMO to publish a document specifying acts, matters and things to be done by AEMO and other Rule Participants in a Transition Schedule.
- 1.1.3. On New WEM Commencement Day, new arrangements for core market functions including scheduling, dispatch, and outages will commence under the WEM Rules. This Transition Schedule is published by AEMO under clause 1.56.2 of the Wholesale Electricity Rules (WEM Rules), and has effect only for the purposes set out in the WEM Rules.

1.2. Definitions

- 1.2.1. Terms defined in the *Electricity Industry Act 2004*, the WEM Regulations and the WEM Rules have the same meanings in this document unless the context requires otherwise.

1.3. Interpretation

- 1.3.1. The following principles of interpretation apply in this document unless the context requires otherwise.
 - (a) Clauses 1.3 to 1.5 of the WEM Rules apply in this document.
 - (b) References to time are references to Australian Western Standard Time.
 - (c) Terms that are capitalised, but not defined in this document, have the meaning given in the WEM Rules.
 - (d) A reference to the WEM Rules or WEM Procedures includes any associated forms required or contemplated by the WEM Rules or WEM Procedures.
 - (e) Words expressed in the singular include the plural and vice versa.

- (f) A reference to a paragraph refers to a paragraph of this document.
- (g) A reference to a clause refers to a clause or section of the WEM Rules.
