Notice to all Registered Participants under the National Gas Rules (NGR)

This notice is to advise Participants on AEMO's decision to approve amendments to the:

- Retail Market Procedures (RMP) (SA)
- SA/WA Interface Control Documents
- FRC B2M Process Flows and Sequence Diagrams

This notice advises Gas Market Registered Participants that consultation under the ordinary Procedure change consultative process prescribed under Rule 135EE of the NGR concluded on 24 June 2019 for:

- IN012/17 (Updates to Deregistered MIRN Status)

Prior to commencing the ordinary consultation process, this proposal was considered by the Gas Retail Consultative Forum (GRCF) in accordance with the "Approved Process" under Rule 135EC of the NGR.

As required under Rule 135EE of the NGR, Gas Market Registered Participants and other interested parties were invited to submit comments to AEMO on the Impact and Implementation Report (IIR) for this proposal. AGL and Red/Lumo provided responses to the proposed changes. Both responses supported the proposed changes.

Having considered feedback provided by each respondent, AEMO has approved the proposed amendments (Attachment A to C) of this Notice and set the effective date for the changes to be 8 August 2019.

Updated versions pertaining to the changes described in Attachments A to C will be published on the AEMO website prior to the effective date.

Should you require any further information please contact Nandu Datar on (03) 9609 8851 or at grcf@aemo.com.au.
