Topic	Please Provide Response Here
Section 1 - Comments on the technical requirements and implementation date	
Provide details on whether your organisation agrees with the technical requirements and implementation date options that AEMO has put forward in section 3 of this PPC. If your organisation does not believe that the PPC adequately captures the technical requirements or does not support the proposed implementation date options, please provide details on which requirements specifically your organisation opposes and why	Powershop agrees with the high-level technical requirements detailed in section 3. Powershop agrees with a Q4 2021 implementation date, but suggests that a Q2 2022 implementation might be more beneficial to allow for the five minute settlement change to be settled in the market.
Section 2 - Comments on the whether a net benefit will be realised should this initiative be implemented.	
Provide feedback on whether you expect that the benefits described in section 4 will outweigh the costs described in section 6 for your organisation. Feedback should include details of the benefits, and if your organisation believes that the cost will outweigh the	Powershop do see benefits from a technical perspective in securely and consistently managing life support transactions for both electricity and gas.

benefits, your feedback should provide an order of materiality for the costs.	
Section 3 - Feedback on any other matters described in the PPC.	
Sections 1 to 9 of the PPC sets out details of the proposal. Does your organisation support AEMO's assessment of the proposal? If no, please specify areas in which your organisation disputes AEMO's assessment (include PPC section reference number) of the proposal and include information supporting your organisation's rationale as to why you do not support AEMO's assessment.
