CONSULTATION ON CHANGES TO THE TRANSPORTATION SERVICE POINT REGISTER (TSPR)

The following notice is sent with respect to 3.2.4 of the Capacity Transfer and Auction Procedures (CTAP). AEMO is performing an *expedited* consultation on changes to the TSPR to publish data consistent to the CTAP section 24.2. Relevant *facility operators* and other interested stakeholders are invited to submit written comments on this proposal to AEMO by close of business Monday, 18th November 2024

1. OVERVIEW OF CHANGES

AEMO proposes the following changes to the TSPR to publish data consistent with CTAP section 24.2 where there is:

- information that relates a new facility (the Reedy Creek Wallumbilla Pipeline) and its relevant service points, zones and segments

2. REFERENCE DOCUMENTATION

Transportation Service Point Register

- See attached TSPR with track changes.

3. MAGNITUDE OF THE CHANGES

The proposed amendments are non-material changes to current market operations. The changes require arrangement by AEMO for IT system updates.

4. PROPOSED TIMELINES

These changes will be implemented after the consultation is completed. The exact timing of change is still yet to be determined. AEMO will notify the market once this becomes available. AEMO is not intending to implement new products for RCWP in the Capacity Trading Platform on the Gas Supply Hub.

5. CONSULTATION

All comments on these changes are to be sent to BBO@aemo.com.au by close of business **Monday, 18th November 2024**.
