Meter Data File Format Specification (MDFF) NEM12 & NEM13 (CIP_042 Reason Code)	<p>SA Power Networks believe there is value in retaining reason code 4 - (Dangerous Dog).</p> <p>When attending sites, we treat the presence of a dog differently depending on known history and information along with the assessment at the time of attendance. We believe that retaining the 2 reason codes provides better visibility to the Retailers as to why a meter reading was not able to be obtained.</p> <p>We support all other changes being made to reason codes via this CIP_042 except the removal of the above reason code 4.</p>
