## 1. Context

This template is being provided to assist stakeholders in giving feedback about the changes specified in the 'MSATS Standing Data Review, Metering Coordinator Planned Interruption, Metering ICF Package 2020' Minor Amendment Process.

The change being proposed is to amend the effective date of the Procedure changes included in MSDR Phase1, MCPI, and parts of the Metering ICF Package 2020, from 14 March 2022 to 1 May 2022.

## 2. MSDR Phase1, MCPI, and parts of the Metering ICF Package 2020 Procedures

Section	Description	Participant Comments
MSDR Phase1, MCPI, and parts of the Metering ICF Package 2020 Procedures Effective Date	Change Procedures Effective Date from 14 March 2022 to 1 May 2022	Change to effective date is noted.  Origin puts forward the position that if there are any contingency delays in Global Settlements delivery then the proposed amended dates should be reconsidered and delayed as a completed package.
