Wholesale Electricity Market Rules – Section 2.10.7

AEPC_2019_09: FORMALISATION OF THE PROCESS FOR MAINTENANCE APPLICATIONS

Date of notice: 19 August 2019

This notice informs all Rule Participants and interested parties (Consulted Persons) that AEMO has published a Procedure Change Proposal in respect of the Rule Change: Formalisation of Maintenance Applications (RC_2015_03) commencing 1 October 2019. The Amending Rules require AEMO to develop a new Market Procedure: Consumption Deviation Applications and amend the Market Procedure: Individual Reserve Capacity Requirements.

This consultation is being conducted in accordance with the Procedure Change Process detailed in section 2.10 of the Wholesale Electricity Market (WEM) Rules.

Matter under consultation

The matters are related to clauses 4.262CA to 4.26.2CH, and 4.28.9A to 4.28.9F and appendices 5A and 10 of the WEM Rules. Clauses 4.26.2CE and 4.28.9E of the WEM Rules require AEMO to detail its processes related to the submission and assessment of Consumption Deviation Applications for Associated Loads of Demand Side Programmes under clause 4.26.2CB(a) and Loads nominated as Non-Temperature Dependent Loads under clause 4.28.9A of the WEM Rules.

AEMO has also taken the opportunity to update the Market Procedures to make minor administrative changes to improve the integrity of the procedures.

Further details are provided in the Procedure Change Proposal published with this notice. The proposed amended Market Procedures are published with this notice and the Procedure Change Proposal.

The consultation process

The consultation process is outlined below. Dates are indicative only and subject to change.

PROCESS STAGE	INDICATIVE DATE
Closing date for submissions in response to the Procedure Change Proposal	16 September 2019
Publication of Procedure Change Report	1 October 2019
Proposed commencement of Market Procedures	1 October 2019

Invitation to make submissions

AEMO invites written submissions on this Procedure Change Proposal, including any alternative or additional proposals you consider may improve the procedure or better meet the Wholesale Market Objectives in section 122(2) of the *Electricity Industry Act* (and clause 1.2.1 of the WEM Rules).

Please identify any parts of your submission that you wish to remain confidential, and explain why. AEMO may still publish that information if it does not consider it to be confidential, but will consult with you before doing so.

Meetings

In your submission, you may request a meeting with AEMO to discuss the Procedure Change Proposal, stating why you consider a meeting is necessary or desirable.

If appropriate, meetings may be held jointly with other Consulted Persons. Subject to confidentiality restrictions, AEMO will generally make details of matters discussed at a meeting available to other Consulted Persons, and may publish them.

Closing date and time

Submissions in response to this Procedure Change Proposal should be sent by email to wa.marketdevelopment@aemo.com.au, and received by 5:00 PM (Australian Western Standard Time) on 13 September 2019. All submissions must be forwarded in electronic format. Please send any queries about this consultation to the same email address.

All correspondence in relation to this Procedure Change Proposal must be entitled "AEPC_2019_09: Formalisation of Maintenance Applications - [Name of the submitting company or individual]".

Submissions should use the Procedure Change Submission form available at:
