### Submission

Clause 2.10.7 of the Wholesale Electricity Market Rules provides that any person may make a submission for a Procedure Change Proposal (including proposals developed by AEMO, the Economic Regulation Authority, the Coordinator of Energy or a Network Operator) by completing this Procedure Change Submission form.

Submissions should be provided by email to the nominated contact in the call for submissions published with the Procedure Change Proposal.

**Please provide your views on the Procedure Change Proposal, including any objections or suggested revisions**

Synergy submits no substantial objections or revisions to the Procedure Change Proposal but notes the following typographical errors:

- At paragraph 2.1.5, the words “Mid Peak Storage Resource Obligation Interval” should be replaced with the words “Mid Peak Electric Storage Obligation Interval”.
- At paragraph 2.1.6, the word “Mid Point” should be replaced with “Mid Peak”.

**Please provide an assessment whether the Procedure Change Proposal is consistent with the Market Objectives and the Wholesale Electricity Market Rules.**

Synergy views that the Procedure Change Proposal is consistent with the Market Objectives and WEM Rules.

**Please indicate if the Procedure Change Proposal will have any implications for your organisation (for example changes to your IT or business systems) and any costs involved in implementing these changes.**

Synergy foresees no implications for our organisation, or any associated costs involved, in implementing the changes as proposed.

**Please indicate the time required for your organisation to implement the changes, should they be accepted as proposed.**

Synergy foresees no issues with implementing any changes should they be accepted as proposed.
