

Acknowledgement Notice

In response to the Australian Energy Market Operator's call for submission for an expression of interest (EOI) for a South West Interconnected System wide System Restart Service conducted in 2026, we hereby offer to provide a submission in accordance with the EOI Guideline and associated documents.

Representations and warranties

We represent and warrant that:

- all information in our tender is true and correct; and
- we have examined and understood the EOI Guideline, any addendum issued under this EOI Process, the Electricity System and Market Rules (ESM Rules) as applicable to a System Restart Service, and any other information available to us in respect of this EOI Process.

Undertakings

We undertake that:

- We will comply with all timelines for this EOI Process set out in the EOI Guideline document.
- We will not publish any media statements regarding the EOI Process.
